### **Dave King**

Born 1970 Minneapolis MN

Studied piano and drums as a young person. Played in some amazing grade school, jr. high school and high school bands and ensembles....seriously ground breaking in approach and chart selection including a big band version of "R.O.C.K. in the U.S.A" by John Mellancamp (formally known as John Cougar and John Cougar-Mellancamp).

Moved out east for a moment in 1989 when NYC still had barrel fires burning in lots that now house the American Apparel flagship store next to a place you can get a \$7.00 espresso.

Moved to Los Angeles in 1991 to warm up a bit.

Was a couple of miles from the epicenter of the 1994 L.A. earthquake.

Decided that wasn't the place for me.

Moved back to Minneapolis.

Co founded Happy Apple.

Co founded Love-Cars.

Co founded Halloween, Alaska.

Joined 12Rods.

In 2000 co founded The Bad Plus in NYC.
